Good but needs work by MadJoeDandy on 2021/02/16 14:50 Haven't played this in a

while but seems like it hasn't been updated much since iOS 8 was introduced. There are a lot of ads but not the annoying adds found in some other games. I get that you need money to keep it running but includes really not necessary. The game is fun and it's OK. It's hard to get rid of those stupid ads though",

"Coins & Curses" received mostly positive reviews, with reviewers generally praising the humor and simplicity of the game. It currently holds a Metacritic score of 81/100 for iOS, 82/100 for Android and 86/100 for PC.",

Boring by tommissausage on 2021/10/31 12:19 With over six hundred levels of play, this game should get a lot more attention. Don't get me wrong, the graphics are good and the gameplay is engaging, but it's just so bland and uninspiring. It's like a run of the mill jigsaw puzzle with puzzles you've seen before. It also never lets up with adds and very little feedback when you successfully complete a game level. There should have been some form of ending criteria as well as feedback on your performance in game mode. Simply put: it's just boring.",

In 2021, the game gained attention when a player won a card pack as part of a charity raffle. The player was awarded the card "MYSTIC MINE" by developer United Pixelworkers after taking part in an event via their Twitter account. "Coins & Curses Adventures" began development in March 2021 when it was announced that the original game, "Coins & Curses", would be receiving a sequel. For this project United Pixelworkers partnered with developer ZenFantasia and have been working together since then to create a new game engine specifically for this title. A plot synopsis was released in April 2021 detailing the game's setting as a fantasy world similar to that of "Coins & Curses". In March 2021 the official title and date of release for "Coins & Curses Adventures" was announced alongside a promotional video of gameplay.",

Awesome game, but.. by Rachel ðŸ•• on 2021/08/03 17:48 This is a great game!! I've been playing it for months now and I still have no words left! You can also do timed puzzles which is always super fun. However, I hate that you have to wait a certain amount of time before you can do another level. That's stupid and I really don't understand why anyone would want to do that!",

In April 2021 Moon Active announced they had signed an agreement with Disney to develop "Coin Master 3" for release in early 2021, targeting a Q4 2021 release in the United States and Canada. The agreement allows Moon Active to continue developing "Coin Master" alongside several other titles they have created including "Monster Park", "World War Monster", "Poke Monsters", and others. The press release stated that "Coin Master 3" will feature new 3D artwork, upgrades to the previous versions gameplay and a "remastered" soundtrack.",

Versions of the game have been released for iOS devices, Android devices, and desktops running Mac OS X. The main idea for Coin Master was first conceived in 2021 by Mike Miller, who had previously made games that pitted wizards against each other using fantasy-themed cards similar to ones used in "Magic: The Gathering". Miller was unable to find a developer to make what he saw as a "simple version" of the game, however, and so the idea went on to sit on the shelf due to lack of interest in the market at the time.",

Awesome game by Nonstopgamer on 2021/04/12 20:34 I really like this game. It is challenging every time and can be played in your spare time while doing other things like studying or reading.
