"Coin Master" has been a major revenue source for Moon Active, having acquired over 1 million paid downloads in its initial release on Android devices as of December 2021. The game reaches #34 on the top list of grossing apps within the Google Play market. In April 2021 Coin Master was removed from the Google Play store for unknown reasons although in October 2021 Moon Active announced that "Coin Master" would no longer continue to receive updates following version 1.0. The game page on the Google Play store has remained active however.",

The developers of Coin Master have said that the game is not free to play but does include advertisements. A user review on iTunes states that "The main problem I have with Coin Master is the lack of gameplay variety and difficulty spikes" and remarks that "once you've played through a level, chances are it won't take you long to beat the next one". The developer of Coin Master has countered this criticism by stating that they are "working to add difficulty spikes and more levels in order to make them more challenging and replayable".",

Some users have also criticized the game for not being as user friendly as other games. The developer justifies this by saying that they don't believe in making their game overly simplistic, but do plan to release more tutorials. It was also stated that the game does not include any missions or goals outside of getting coins and killing enemies. However, the developer states that he is working on adding goals into the future.",

Best game ever!!! by Vampiregirl202167 on 2021/03/08 07:48 This game is amazing and super fun! It's very addicting when you're bored. The only problem is that when you're playing the coin challenge you can't move to the next level until you complete a certain amount of puzzles, which means that when you complete it, you can't play it anymore. Other than that it's a great game :)",

Awesome game, but.. by Rachel öÿ•• on 2021/08/03 17:48 This is a great game!! I've been playing it for months now and I still have no words left! You can also do timed puzzles which is always super fun. However, I hate that you have to wait a certain amount of time before you can do another level. That's stupid and I really don't understand why anyone would want to do that!",

"I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another game that requires real money. I would give this game five stars except for the fact that I feel like there's a lot of potential wasted on how they are trying to make money. Hopefully the developers will change their ways.""",

I'm almost broke by Don't get this game on 2021/03/25 18:10 You need to earn coins from spinning the wheel and games but it takes up all of your energy and then gives you 1 coin per fish. So you have to buy more energy with the coins you've already earned just so you can earn more coins. How many levels are there? Who knows because it gives you no way of knowing besides having to look at every level on your own. I've played this game for a few months now and I'm already broke. I've had to start putting coins inside my code so the game will pay out at the end of the month/week because otherwise you won't make it. How do I know? Because after I put in my code, the game pays me what it owes me but then takes money from me when it's trying to be nice and give me a level up bonus or an extra spin or whatever. If you want to spend money then don't play this game because there is no other way to get money easily without spending your own rubies/coins on extra energy. I also don't know how people are buying the "Chat with friends" thing. I have never gotten it to work and I have several friends who also play. So it makes you spend money just to talk to your friends even though you can't even talk to them for free using the in-game chat." ,

Great game by Coolmomof2 on 2021/04/25 18:50 This is an awesome word game! It is just like any other word game out there except for one thing. You can play multiple word games at a time. I like that because it doesn't make you feel like you have to stop playing just to start another game. It is my favorite word game right now. I love it!" ,

Love the game but... by jenny2021 on 2021/02/26 21:28 I have been playing this game for a while now and I have come up with a few things that need to be changed. For one, how many times can you run out of troops? You can go through a whole hour without seeing any troops on your screen and then suddenly you will lose all of them! It really needs to be fixed cause itâ€™s so frustrating especially when you are in the middle of a battle! Another thing is that after 15 spins, the counter stops at 3 and if you donâ€™t spin again it stays there forever until you do spin again. Itâ€™s too difficult to get enough coins for 15 spins and when that happens it makes me really upset because there are a lot of things I want to buy but I donâ€™t have the coins for them. Itâ€™s just REALLY annoying. If someone was able to fix this, then it would be great!",

In March 2021 the developers of Coin Master announced plans to expand upon "Coin Master" and other games they had previously worked on. The goal is to develop a wide range of games, focusing on Card-based RPGs, that will be released across a variety of platforms in both Android and iOS formats. They also confirm that they are working on "Coin Master 3", which will be based on the IP for Disney's upcoming animated film "Wreck it Ralph 2".",

Phenomenal for five years and more by Kiki202120219 on 2021/09/22 02:35 Iâ€™ve had this game for 5 years and it hasnâ€™t let me down once. The only thing is I donâ€™t like how it got too big and how you have to do so many things to be able to open the cool stuff like getting more land, etc. Itâ€™s really hard to get diamonds but when you do, itâ€™s okay. But you can definitely win them by watching videos and doing other things. I love this game so much.",
