Roblox provides wireless headsets in the form of headphones and microphones. This enables players to communicate through the game, chat with other Roblox users, and play games with other players. In some online games, players are able to play "mini-games" such as "Horseball" that involve shooting a ball across the screen to attack another player. However, in Roblox, mini-games give physical feedback from hitting objects in the game world; for example, when they jump off a ledge in an abandoned mine shaft.
